Soft Baked Biscotti

It is hard to imagine a more fitting finale to a Tuscan meal than a Cantucci (commonly called “Biscotti”). Traditionally, they are crunchy and crispy and contain almonds. Our original version is of a Soft Baked Biscotti that is very unique, and is made in the shape of traditional Tuscan Biscotti, but with a unique twist, born, like all great inventions, from a mistake: a secret ingredient.

The result sees the trademark crispness of Cantucci give way to a delicate softness that perfectly wraps itself around a sweet filling. To date, nobody has been able to recreate the mixture that makes these biscotti unique. These are the perfect gift for those looking for something unique and made with only the highest quality ingredients, or as the final course in any Holiday meal.

Caramelized fig it's pretty much identical to our fig jam recipe (only with slightly less sugar), here they are barely touched, so that they do not break but remain perfectly whole. It's delicious with soft cheeses, which is how it's traditionally eaten, as part of a cheese platter.
